WISH SPONSORSHIP

Changing LIVES...One WISH at a time.

Have you ever wanted to *make a difference* in someone's life? Through Wishing Star's WISH SPONSORSHIP program, you can help *change the life of a child*. Wishes empower children by giving them hope and something to look forward to in the future. Studies have shown that children who are promised a wish are more likely to participate in difficult treatment plans. The impacts of a wish are long-lasting.

Did you know that the average wish costs \$5,000 in out of pocket expenses? This covers the hard costs of the actual wish along with the staff time and materials it takes to make the wish come to life. With the initial funds, an additional \$3,500 is leveraged through in-kind goods and services.

Every week, another child in our service area is diagnosed with a life-threatening condition. Please consider becoming a Wish Sponsor today and committing to granting a wish this year! Whether it's easiest to write a check, collect contributions, or hold your own fundraiser, it's up to you! You can do it yourself or solicit the help of friends, family and/or co-workers.

"Becoming a wish sponsor is one of the best things I've ever done. Knowing that I was able to provide those memories for her and her family means the world to me." -Anonymous donor
